Call to Action: Sign the Petition

42,130 Signatures Thus Far, 57,870 Needed

This campaign is about recognizing 9-1-1 professionals for protecting and saving lives.

Important: Reclassification **would have no direct impact on salaries or benefits**, nor would it change federal overtime rules set by the Fair Labor Standards Act (FLSA).

Sign the petition and get 10 family and friends to sign. If everyone does this, we can reach 100,000 signatures by May 7.

All it takes is your first name, last name and email (and be sure to verify by responding to the confirmation email).
