**Name of Committee:** Mentoring Committee

**Purpose of Committee:** Providing professional growth and networking opportunities to our members.

**Goals:**

- Mentor and turn over leadership of the committee to future leaders of the industry. Increase membership and participation within the committee.
- Provide a living document for future leaders to amend as the industry advances.
- Share the success of our planning and progress with other organizations in our industry.
- Continue to network with other APCO-NENA committees.
- Continue to provide networking opportunities and career development.
- Continue to connect mentors with mentees.
- Provide, at a minimal cost, web based training that is easily accessible to future leaders of the industry.
- Remain flexible and open minded.
- Continue to encourage new membership and new ideas.
- Continue to identify and create revenues so the committee is financially self-sufficient.
- Revisit our plan annually and make adjustments as appropriate based on industry growth and advancement.
- Establish a welcoming and open atmosphere at all meetings and conferences to encourage informal and formal exchange of information, and establish stronger network support.

## **Committee Objectives:**

- Increase membership and participation throughout the organization.
- Develop communication avenues for our members.
- Provide training opportunities.
- Provide networking opportunities.
- Increase revenue.
- Share our success.
- Create fun networking activities at conferences and forums.
- Work with committee to recognize the valuable role mentors play in the Chapter's mission.
- Monitor and track successes and challenges for each event. Use this information to implement a more comprehensive strategic plan for the following year.

## **Committee Responsibilities:**

- Increase membership and participation throughout the organization.
- Develop communication avenues for our members.
- Provide training opportunities.
- Provide networking opportunities.
- Increase revenue.
- Share our success.
- Create fun networking activities at conferences and forums.

**Date Committee was established (if known):** Formed in 2010.

## **Past Accomplishments:**

- Active participation at Summer Conferences.
- Provided a presence at the March and October 9-1-1 APCO-NENA Coordinator Forums.
- Recruited industry professionals by indentifying and providing functions that address our industry's professional needs.
- Continue networking with other Chapter Committees.
- Obtained sponsorship for events being promoted at Chapter events.

**Goals for 2016-2017:** Recruit new committee members; recruitment for interested members is currently under way. Match interested Mentors with Mentees; currently under way.
