Agency Executive Note:

Scholarships are granted partially on need. In order to determine the need, the scholarship committee will consider whether or not an agency qualifies for training dollars from Washington State. Full and accurate disclosure of such eligibility is required for awards consideration; actual receipt of state funds is not a factor in the committee's decision. APCO relies on the Agency Executive to verify successful attendance or course completion as defined in the application information (please read all the requirements). Your signature below indicates understanding and acceptance of these requirements.

- Yes, our agency qualifies for Washington State operational assistance.
- No, our agency does not qualify for Washington State operational assistance.
